

RATE NOP CERTIFICATION 2020 OPERATIONS OUTSIDE THE E.U.

Annual fees: Tax not included.

Opening of the file and application review costs

- ✓ Check the presentation of the Certisys® NOP certification system on our website www.certisys.eu > start organic > [NOP](#)
- To complete your application, you have to:
 - Provide an **Organic System Plan (OSP)** which is your NOP Quality management plan
 - ➔ This OSP must be reviewed and approved by Certisys. In the meantime, you can withdraw your application at any time.
 - ➔ The duration of the application review lasts more or less according to the complexity of your OSP. This means that it depends on the number of site(s), ingredient(s), fabrication process(es), end product(s), label(s), and on the fact that you jointly produce or not, conventional, EC organic and NOP organic products.
 - Provide a **signed provision service contract**.
- A **flat rate of 445 €** is applied to **all first-time applicants** for the review of their application. This fee is non-refundable.

Inspection and certification costs

The annual fee is subject of an estimate based on following rates:

Per inspection day (production, processing, export), international inspector	662 €
Per inspection day (production, processing, export), local inspector	280 €
Per day for preparation of the mission, reviewing the OSP and drawing up of the report, international inspector	662 €
Per day for preparation of the mission, reviewing the OSP and drawing up of the report, local inspector	280 €
Per travel day of the inspector	490 €
Per working day for coordination and certification	662 €

Travel costs, travel insurance, visas, accommodations and sample analysis are invoiced at real cost.

Conditions of payment

- ✓ The fee will be paid in accordance with **article 5** of the service provision contract in force (rates and payment conditions).
