

Secondary acts are regulatory texts that complement the basic text of the new European Regulation on organic production [RE 2018/848](#). In this sheet you will find a presentation of the secondary acts of the new Regulation. This sheet will be updated as and when the texts are published.

Changes from the previous version of this sheet are marked in yellow.

Remark: The changes are mainly linked to the publication of consolidated versions of some of the acts listed below. To find out how to obtain a consolidated version of a regulation, please refer to this procedure.
